

6-in-1 Estate Administration Software FileMaker 19 Platform – Windows 10 Version: 19.1.2.219 | 2020-218 8/5/2020 | Config v0.0.0.25 Revised 10/5/2020

Installing pdfFactory Pro on Desktop

NOTE: If a prior version of 6-in-1 has been on your computer before, you may already have this useful tool installed. If not, the installation is optional but highly recommended, and included at no additional charge.

- 1) For DESKTOP installations
 - a. Double-click on PdfPro352.exe to begin the installation process. If UAC prompts for confirmation, press Yes.

b. Next, press Setup to begin installation.

6-in-1 Estate Administration Software FileMaker 19 Platform – Windows 10 Version: 19.1.2.219 | 2020-218 8/5/2020 | Config v0.0.0.25 Revised 10/5/2020

c. You will be asked to accept the terms of the licensing agreement.

d. After installation, a confirmation prompt will be presented. Press OK.

e. Next, open the License Info file and copy the license key.
