

6-in-1 Estate Administration Software FileMaker 19 Platform – Windows 10 Version: 19.1.2.219 | 2020-218 8/5/2020 | Config v0.0.0.25 Revised 10/5/2020

Installing pdfFactory Pro on server

NOTE: If a prior version of 6-in-1 has been on your computer before, you may already have this useful tool installed. If not, the installation is optional but highly recommended, and included at no additional charge.

- 1) From the pdfFactory Pro folder, navigate to the appropriate installation type according to your environment:
 - a. Citrix or RDS server environments where multiple profiles can be active on the same machine at once, use 3) pdfFactory Pro\Server (RDS or Citrix ONLY). Go to Step 3.b.
- 2) For SERVER installations (coming from 3.a.i.)
 - a. Double-click on PdfPro405se.exe to begin the installation process. If UAC prompts for confirmation, press Yes.

b. Next, press Setup to begin installation.
